## Tuesday, March 28

### Program: *The American Revolution, A Glorious Undertaking*

Don't miss this interesting APS DVD program about the American Revolution on stamps.

- **6:30 seminar:** Have you been using the disks owned by the club to print worldwide stamp album pages? If so, please bring examples to show, with the stamps that you've mounted on them. This is a great opportunity to see some of these very professional pages. (Club members can borrow the disks for free from Ken Rehfeld, but they must be returned by the next meeting.)
- **7:00 meeting,** including the program and auction

## Tuesday, April 11

- **6:15 Board meeting**
- **7:00 Stamp mixture meeting:** Purchase stamps from worldwide collections that the club purchased in the past year. Many of the stamps are in Scott International albums and there are also many covers. Good deals abound! There is a new mixture every month.
