April 22 Meeting

Program: *Stamp Games and Trivia*

Myron Molnau will speak about some of the many countries that have issued stamps, and the many varied types of stamps since the Penny Black, the world's first stamp, in 1840. He encourages people to bring one stamp from as many different countries as possible. Myron will give a prize to the person who brings in the most.

Auctions

We will have both silent and live auctions with lots of new material after the program. Please come early if you are bringing items for sale in the live auction or simply want more time to examine the auction lots.

May 13 Board Meeting and Stamp Mixture Night, 6:30 PM

Purchase stamps from mixtures and worldwide collections that the club continues to buy. These include a batch of new albums to sort through at only 8 cents each or 175 for \$10. New material is added frequently.

Coming events...

Weekend in Wallace, Saturday, May 10

Our joint meeting with the Missoula stamp club is scheduled for Saturday, May 10 at the Wallace Inn. Registration starts at 12:30. There will be a speaker from each club as well as live and silent auctions, followed by dinner. Coffee and water will be provided during the meeting. Please sign up at our April Meeting or call J at 509-710-3553. He does need a head count. The fee will be \$30.00, which includes the dinner, or \$10.00 if just attending the meeting. If you bring items to be sold, make sure that each lot is identified, with catalogue numbers, value, and the minimum you will accept for the lot.

May 27 meeting

Our May 27 meeting will be at the new Spokane Valley Public Library at the corner of Harold and Sprague. The Eagles have another event for that night at their facility. The library is across from the Valley City Hall building at the west end of the old U-City Mall, 22 N. Harold. There is an outside entrance on the north side of the building as well as the main entrance. The meeting starts at 4:30 PM. We must be out of the building by 8:00. It will be an auction-only meeting. We will need to set up, so if you can come at 4:30 to help, that would be great. The program starts at 5:00.
